ENRICHING HARVEST

Easy to use, all-age resources for churches,
groups and schools.

In God's kingdom what you have matters little – it's what you make of it that counts

Despite our different circumstances and gifts, God expects every one of us to make the most of what we have – enriching the harvest and growing his kingdom.

In India, people rejected from society and regarded as fit for only the dirtiest work are now enjoying their very own first fruits. Find out how they are making the most of MRDF's support and seeing small miracles happen with *Enriching Harvest* – includes worship material, games, recipes, posters and more.

Enrich your Harvest celebrations this year with MRDF.
